

Eastrington Primary School Long Term Plan

[NB: Art and Design Technology are taught alternative half terms]

Cycle A						
Year Group	Autumn 1	Autumn2	Spring 1	Spring 2	Summer 1	Summer2
Discovery FS2	In the Early Years, we teach children Art through Kapow topics which are changed each half term and the children can use the skills learned during continuous provision to suit the interests of our pupils. We encourage and develop learning by ensuring pupils have access to activities that allow them to play and explore, actively learn and create and think critically, working towards achieving the Early Learning Goal at the end of the year: The skills developed include sculpture including 3D, drawing, textiles, painting and mixed media. <u>Early Learning Goal- Expressive Arts and Design:</u> Children use what they have learnt about media and materials in original ways, thinking about uses and purposes. They represent their own ideas, thoughts and feelings through design and technology, art, music, dance, role play and stories. Children talk about the ideas and processes which have led them to make music, designs, images or products. They can talk about features of their own and others' work, recognising the differences between them and the strengths of others.					
Atlantis Yr1 and 2	Design and Technology unit	Drawing: Make your mark – self portraits Artist focus: Bridget Riley and Zaria Forman	Design and Technology unit	Sculpture and 3D: Paper play Artist focus: Louise Bourgeois	Design and Technology unit	Painting and mixed media: Life in colour Artist focus: Bearden
