

Fantastic Year 6 SATs Results!

Dear Parents,

As another school year draws to an end, we thought we'd let you know just how well the pupils in our school are doing! Below is a summary of this year's KS2 SATs results:

- As you can see, our Y6 pupils have performed brilliantly with 94% of them achieving Level 4 (which is the expected level of attainment for the end of Year 6).
- In all subjects our results are well above the national average and the numbers of pupils who have achieved Level 5 this year are outstanding.
- Pupils are expected to make two levels progress from the Key Stage 1 SATs in Year 2 and their KS2 SATs in Year 6. As you can see from our results, 94% of our pupils have achieved this and over 50% of them have surpassed this by making 3 levels progress.
- And finally, I would also like to mention that two of our Year 6 pupils not only got 100% in their Maths SATs but they also achieved a Level 6 in Maths which is an amazing achievement at primary school.
