TRUST

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding
Please complete the table below.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
- The scheme of work for PE has now been running for three academic years. All staff have taught all units of work and feel confident when teaching PE. - All pupils from FS1 to Year 6 receive 2 hours of Physical Education every week. - All pupils in FS1 to Year 6 are using the play equipment which we installed in Summer 2020. The children fully enjoy this equipment whilst building upper body strength, resilience, team work, friendship and self confidence. - PE equipment is up to date with all resources available in order to teach a high quality PE curriculum. % of Year 6 pupils reaching the swimming expectations has increased due to top up - Year 5 and 6 children have receive a 10 hour top up swimming course to further develop their swimming skills - Pupils in Year 5 and 6 have a attend a 3 day residential	The purchase of more resources for EYFS and KS1 to practice sending and receiving and throwing and catching skills. Replenish the outdoor play shed resources to encourage more activity at playtime All pupils in KS2 to receive a block of swimming lessons in years 3,4,5 and 6. Additional 'Top -Up lessons to be organised for those children not meeting the swimming expectation in Year 5 and 6. Enhance physical development resources in EYFS and KS1

Meeting national curriculum requirements for swimming and water safety - 17	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 meters when they left your primary school at the end of last academic year?	60%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	60%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	60%

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes
